DEAR BROTHERS AND SISTERS IN CHRIST,

Dear Brothers and Sisters in Christ,

We would like to thank you all for a wonderful year of grace. Together we celebrate, renovate, and engage the community in many wonderful works of faith from the 225th anniversary of the Mission to the construction of the Playground, the Holy Family picnic area, and Dream Garden. As this year ends, we look back to thank God for his blessings and inspiration. We are also grateful for your prayers, sacrifices, and participation. United in faith we continue to share the mission of the Church.

You may have heard, in 2023, as a diocese we will have a year of Eucharistic Revival. The bishop has asked us to participate fully. Our diocese has already begun to prepare for the Diocesan Eucharistic Congress on Sept 8-9 (Spanish) and 15-16 (English), 2023, at the Christ the Light Cathedral and the National Congress on July 17-21, 2024, in Indiana. In responding to this call, we will have a special emphasis on the Sacrament of the Eucharist and Eucharistic Devotions. As a parish we hope to do the following:

1. A Holy, Reverent, and Beautiful Eucharistic Celebration. We want to celebrate the Holy Eucharist according to the Church's norms, rubrics, and traditions, with a special emphasis on:

A. Sacred Silence. Vatican Council II teaches that at proper times, all should observe a reverent silence (Liturgy Constitution, no. 30). The Church has always understood that "Sacred silence also, as part of the celebration, is to be observed at the designated times. Its purpose, however, depends on the time it occurs in each part of the celebration." Following the Church's General Instruction of the Roman Missal (no. 45), here are the designated periods of sacred silence:

I. Before the celebration itself

1. In the church, in the sacristy, in the vesting room, and in adjacent areas, so that all may dispose themselves to carry out the sacred action in a devout and fitting manner.

Ii. Within the Penitential Act

Iii. After the invitation to pray ("Let us pray")

Iv. At the conclusion of a reading or the homily

V. After the Reception of Holy Communion

B. Anima Christi. To promote a greater sense of awareness of the Real Presence of Jesus in the Blessed Sacrament, we recite together after the period of silence following the Reception of Holy Communion. We will start on January 1st, 2023. The MAP prayer after the Prayer of the Faithful will then be removed.

C. Kneeling. We should kneel "beginning after the singing or recitation of the *Sanctus* until after the Amen of the Eucharistic Prayer, except when prevented on occasion by reasons of health, lack of space, the large number of people present, or some other good reason. Those who do not kneel ought to make a profound bow when the priest genuflects after the consecration. The faithful kneel after the *Agnus Dei*" (GIRM, no. 43).

D. Reception of the Holy Communion. It has been "the norm... is that Holy Communion is to be received standing, unless an individual member of the faithful wishes to receive Communion while kneeling" and that a bow is the act of reverence made by those receiving (GIRM, no. 160).

i. Those who receive Communion may receive either in the hand or on the tongue, and the decision should be that of the individual receiving, not of the person distributing Communion. If Communion is received in the hand, the hands should first of all be clean. If one is right-handed the left hand should rest upon the right. The host will then be laid

in the palm of the left hand and then taken by the right hand to the mouth. If one is left-handed this is reversed. It is not appropriate to reach out with the fingers and take the host from the person distributing.

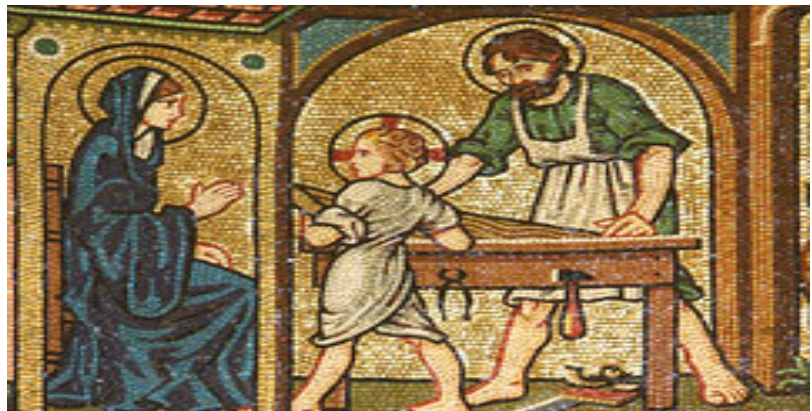

- ii. The person distributing Communion says audibly to each person approaching, "**The Body of Christ.**" The communicant should audibly respond, "**Amen,**" indicating by that response his or her belief the real Presence of Christ the Lord.

2. **24 Hour Adoration Once a month.** The Catechism says: "The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this sacrament of love. Let us not refuse the time to go to meet him in adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our adoration never cease" (CCC, 1380). We begin to adore the Lord in the Blessed Sacrament right after the 8 am Mass on the First Friday and conclude with the First Saturday Mass in the Mission. We invite every ministry in the parish to sign up for at least one hour.
3. **Daily Adoration.** Please consider spending a few minutes daily before the Blessed Sacrament in our Adoration Chapel in the Main Church.
4. **Bring the Holy Communion to the Sick.** We really appreciate those who bring the Holy Communion to the Sick. To better serve our people, we would like to call upon all those who are currently in the ministry and those who are interested to join a new enrichment program. This initiative is designed to equip and enrich all those who bring the Lord to others. More information will be provided in the coming weeks.
5. **Many FORMED series on the Eucharist.** As a parish we will have more opportunities to learn about the greatest mystery of our faith, the Holy Eucharist. FORMED is a great resource we will use to aid us in this effort.
6. **First Holy Communion and Public Eucharistic Procession on Corpus Christi on June 11, 2023.** At this mass, our First Communicants will receive our Eucharistic Lord for the first time. The Eucharistic Procession will follow the 12 pm Mass. This is a beautiful expression of our faith, and we ask all to join.
7. **First Annual Saint Joseph Conference on March 18, 2023.** Please save the date. We are happy to announce March 18, 2023, will be the first annual Saint Joseph Conference. It is important to us that we cultivate a strong devotion to the Protector of the Holy Family. It is Saint Joseph who will help us grow closer to Christ who also is his legal Son. The theme of this conference will be: ***Receive and Adore the Lord like Saint Joseph.***
8. **Diocesan Eucharistic Congress September 8-9 (Spanish) and 15-16 (English).** We ask you to save the dates. Our parish will participate as requested and we will provide support to those who are interested in coming. More information will be provided.

Once again, we thank you all of you for your great support and devotion to the Lord and his Church. May He continue to bless you abundantly.

HAPPY NEW YEAR OF GRACE TO ALL.

Sincerely,
Fr Anthony Le
Liturgical Team

CHURCH RENOVATION

We are excited to share our plans for the upcoming renovation of our church and hall! We are working with an architect and engineers who are generously donating their time to the parish. We hope to submit drawings to the City of Fremont in early 2023 for plan check and permitting. Depending upon the city building department's comments, we may need to revise the drawings. Once we have approved drawings we will share them with contractors for pricing. We anticipate the renovation will cost around \$3 million. We will have a better estimate after the City of Fremont's permitting process is completed.

If all goes well we could begin construction next summer with completion by Christmas 2023. We will use the Mission church during construction.

REMODELED WORSHIP SPACE

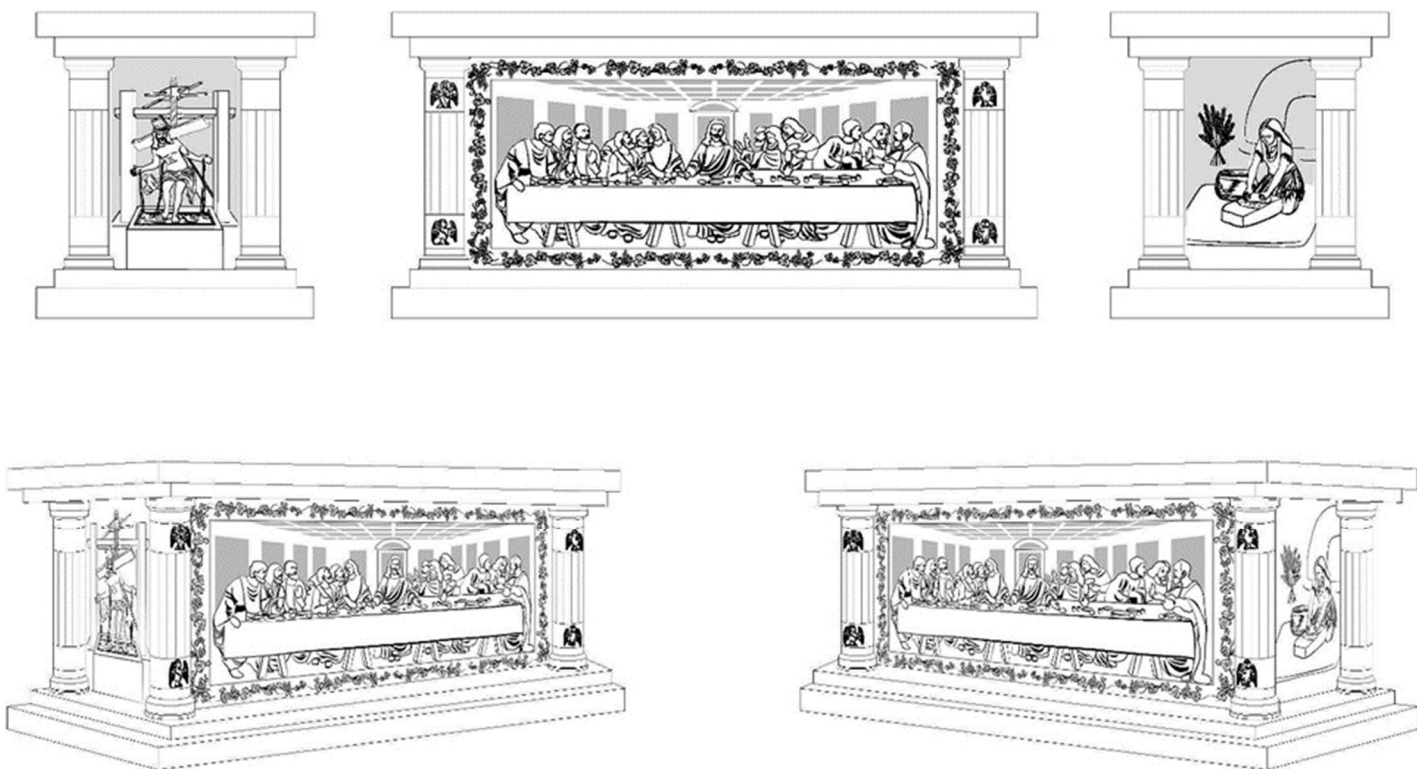

Here's a first look at our updated sacristy. This is still a work in progress so some aspects of this preliminary design may change.

The movable wall separating our worship space from the church hall will be replaced with a permanent, soundproof wall to enable activities in the church hall at the same time as Mass and other liturgical celebrations in the church. We will replace our aging organ with a new state of the art digital organ. Our old pews and kneelers will be replaced. Wood and stone will be added to the interior to represent the type of buildings St Joseph may have helped to build. Wood planks created from the old pews will clad columns and beams as shown in the rendering above.

NEW ALTAR

A new altar generously donated by the St Joseph Chinese Community is being carved from olive wood taken from the dead olive tree removed from the front of the church in 2021. This olive tree was more than 200 years old. The carvings on the new altar show the Last Supper on the front, an Ohlone Indian woman making bread on one end panel, and Christ, the holy wine-presser, on the other end panel. The columns framing the Last Supper have four carved animals traditionally used to represent the four gospel authors (Mark, Mathew, Luke, and John). The columns were made in Jerusalem using olive wood from Jesus' land.

NEW FONT

The wood baptismal font saved from our 1869 parish church and placed in storage is being restored and will replace our existing font. The 1869 church was built of redwood and stood on the site of the original Mission church until it was moved to San Mateo to make way for rebuilding Mission San Jose. (See the parish web-site's church renovation page for more information about our 1869 church.)

Sleeping St. Joseph in the Holy Family Picnic area is being completed with 4 scenes of Saint Joseph's life.

RESTORED STAINED GLASS WINDOWS

In addition to the two stained glass windows behind the altar we have six additional windows in storage that were acquired and restored for the new church project. Two of these windows will be added to the two already in the sanctuary. These windows portray The Holy Family, Jesus with the Children, Jesus the Good Shepherd, and Jesus' Agony in the Garden.

The other four windows portray Jesus with Martha and Mary, St Anthony with the Infant Jesus, Saints Agnes, Lucy and Agatha, and St Margaret Mary with the Sacred Heart of Jesus. Two will be located on the new back wall of the worship space and two in the new entry from the parking lot.

① ST. AGNES LUCY AGATHA

② THE HOLY FAMILY

③ JESUS AND CHILDREN

④ AGONY IN THE GARDEN

① GOOD SHEPHERD

② ST. ANTHONY

③ SACRED HEART

④ MARTHA AND MARY

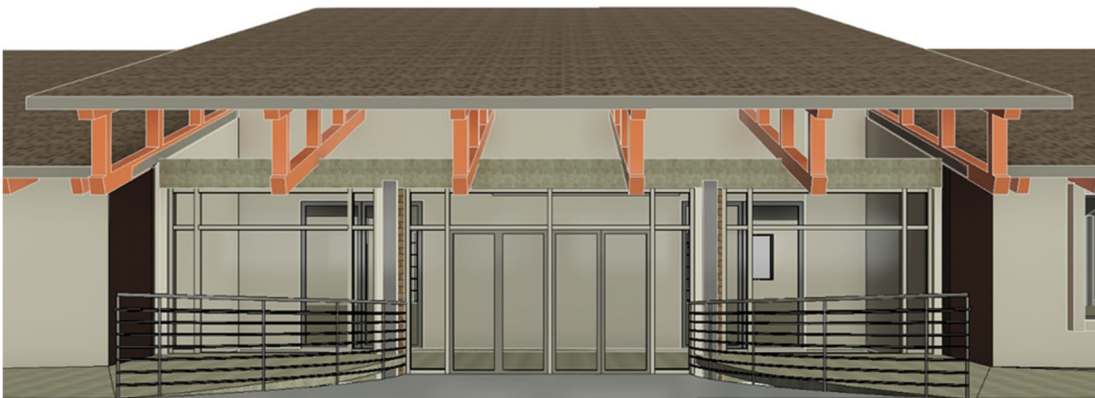

12 NEW STAINED GLASS WINDOWS

The exterior windows on each side of the worship space will be enlarged for 12 new stained glass windows. These new windows will depict St Mary Magdalene, St Francis of Assisi, St Claire of Assisi, St Dominic, Blessed Augustus Tolton, St Lorenzo Ruiz, Vietnamese Martyrs, Chinese Martyrs, Joseph from the Old Testament, St Kateri Tekakwitha, St Teresa of Calcutta, and St Gianna Beretta Molla.

NEW ENTRY VESTIBULES

The entry porches on both sides of the church will be enclosed with glass and new doors to create welcoming transitions into the worship space. The stairs on the parking lot side of the church will be replaced with a wide, gently sloping, and accessible walkway from the parking lot to the floor of the church.

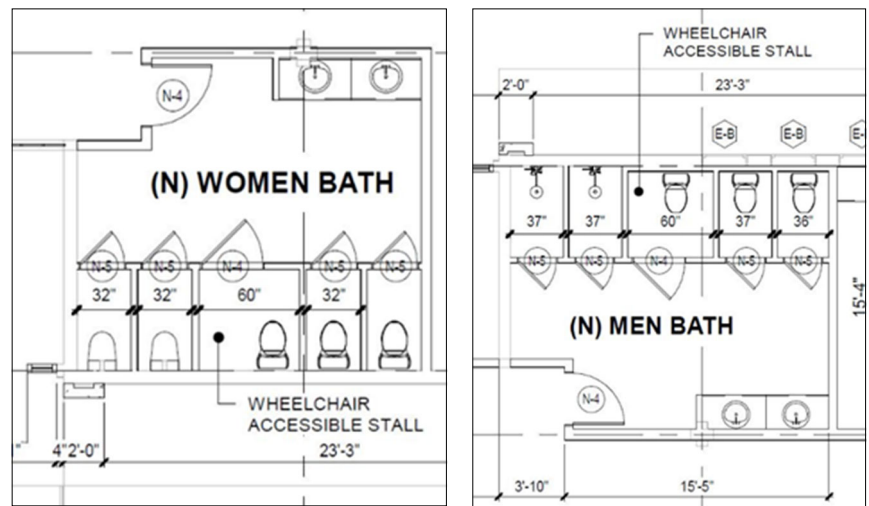

AIR CONDITIONING

The old gas heaters (original to the building) for the church and hall will be replaced with a modern, energy-efficient electric heat pump system to heat and cool the building and improve ventilation.

NEW RESTROOMS!

The old men's and women's restrooms will be demolished and replaced with larger, fully accessible restrooms that will accommodate more people.

HELP MAKE OUR RENOVATED CHURCH A REALITY

Repurposed contributions from the capital campaigns for the new church project will be used to pay for the church renovation. If you have not already made a decision to repurpose or reclaim your capital campaign donation, please consider supporting our church renovation. You can also support the church renovation by visiting our parish website to donate to the renovation project.

MINISTRY HOUSE 1 & MISSION

MINISTRY HOUSE 1 RENOVATION

Ministry House 1 will be renovated before the church renovation begins to provide space for ministries and office spaces displaced during the church renovation project. Ministry House 2 was renovated by the parish in 2022.

Museum Repair Project

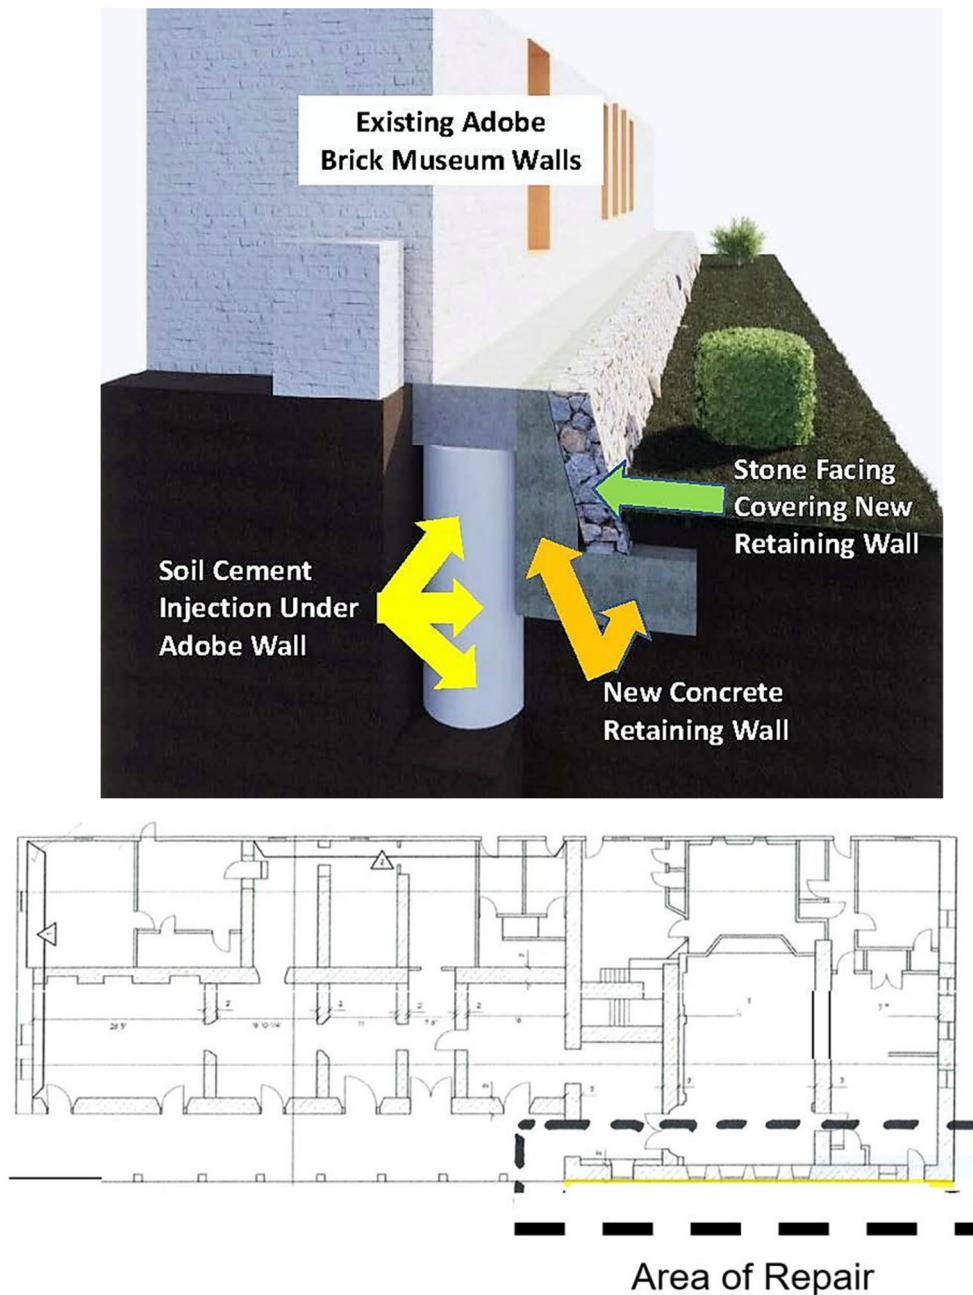

The Mission museum is the original 1809 adobe Convento, the former Padres' living quarters. It is the oldest standing building in Alameda county. Its importance is recognized by the National Register of Historic Places and the California State Historic Landmarks Commission. Unfortunately, a portion of the building's foundation is badly in need of repair work.

The building was constructed using typical mission-era practices. The walls are made of Adobe clay bricks and support roof trusses made of redwood. The building is the only surviving part of the original mission complex, most of which was destroyed in an 1868 earthquake. (The adjoining Mission church was completed in 1985 and is a replica of the 1809 church. [Click here to read more about the history of Mission San Jose.](#))

When cracks above the rock retaining wall on the Mission Blvd. side of the museum began to appear the parish had a team of experts investigate in 2021. They discovered that, for reasons unknown, this part of the building was constructed on uncompacted native soil instead of a typical stone and compacted soil foundation. And the rock retaining wall in front of the building does not extend under the adobe wall and is starting to fall apart. Unless the missing foundation support for the adobe wall is created and the rock retaining wall repaired, this portion of the building could collapse in an earthquake.

Our engineering and geotechnical experts have created a plan to reinforce the foundation under this portion of the adobe wall. The existing rock retaining wall will be temporarily removed and the soil below the adobe brick wall will be injected with soil cement grout to fill existing voids and improve the strength of the subgrade soils. The subgrade soil will be jet-grouted to a depth of 8 feet below the base of the adobe brick wall and 2 feet laterally behind the face of the adobe brick wall. Temporary excavations are needed to provide access for the jet grouting drilling equipment. To prevent damage to the adobe wall, excavation will occur in six-foot sections, one section at a time. Following grouting of the subgrade, a new concrete retaining wall will be constructed in place of the existing rock retaining wall. The new retaining wall will be faced with some of the removed retaining wall rock to conceal the concrete structure.

We have submitted our repair plan to the City of Fremont for permitting, and a signed construction contract is in place. We are ready to proceed with this essential repair project during summer 2023. As part of the Mission's 225th anniversary activities, the parish raised \$100,000 towards the \$600,000 cost of this essential project. We have also received a \$100,000 grant from the Committee for the Restoration of Mission San Jose, a \$25,000 grant from Alameda County, a grant from the California Missions Foundation, and gifts from generous individuals. Please visit <https://missionsanjose.org/donate> to contribute to this project and for a list of our donors."

Sunday, Jan 01, 2023—And let it begin with me

"The world must be educated to love Peace, to build it up and defend it." With these words, Pope Paul VI in 1968 called us each to personal responsibility for keeping the peace. Since then, successive popes have related the quest for peace to fighting poverty, protecting creation, defeating racism, caring for migrants, supporting education, ensuring opportunities to work, and overcoming indifference. As the pandemic bloomed, Pope Francis described peace as cultivating a "culture of care." Building peace includes encountering people outside our typical social cocoons. It necessarily involves creating good politics and living with hope. Make peace your personal priority.

OCTAVE DAY OF THE NATIVITY OF THE LORD; SOLEMNITY OF THE BLESSED VIRGIN MARY, THE MOTHER OF GOD

TODAY'S READINGS: Numbers 6:22-27; Galatians 4:4-7; Luke 2:16-21 (18). "The LORD look upon you kindly and give you peace!"

Monday, Jan 02, 2023—Spirituality is a friendly endeavor

Is there anyone you regard as a "spiritual friend"? Someone with whom you share your Christian journey and who helps you grow in faith? Basil the Great & Gregory Nazianzen were two such friends who were monks together for a while and later both became bishops. They lived in a time—the fourth century—when there was great conflict and heresy, and the pair worked to keep the church united on the right path. Gregory wrote of their friendship: "We seemed to be two bodies with a single spirit ... Our single object and ambition was virtue, and a life of hope in the blessings that are to come ..." If it's true that you are the company you keep, choose wisely!

MEMORIAL OF BASIL THE GREAT AND GREGORY NAZIANZEN, BISHOPS, DOCTORS OF THE CHURCH

TODAY'S READINGS: 1 John 2:22-28; John 1:19-28 (205). "Who are you, so we can give an answer to those who sent us?"

Tuesday, Jan 03, 2023—The name above all others

The Most Holy Name of Jesus occurs in early January to signify the eight days since Jesus' birth—when, as a Jew, he was presented in the Temple and given a name. As the Bible reminds us, an angel told Joseph: "You shall call his name Jesus, for he will save his people from their sins." Today is also the main feast day of the Jesuit religious order, as their name derives from Jesus' name. Celebrate as suggested by today's most famous Jesuit, Pope Francis: "It means thinking like him, loving like him, seeing like him, walking like him. It means doing what he did and with his same sentiments."

MEMORIAL OF THE MOST HOLY NAME OF JESUS

TODAY'S READINGS: 1 John 2:29—3:6; John 1:29-34 (206). "Behold, the Lamb of God, who takes away the sin of the world."

Wednesday, Jan 04, 2023—Stand firm for justice

Today, the church celebrates the feast of Saint Elizabeth Ann Seton, the first person born in the future United States to be canonized, and the de facto founder of America's Catholic school system. Seton was also a voice of reason in a time of rampant contradiction in the realm of hu-

man rights. Though her family owned slaves, Seton apparently rejected the practice and spoke lovingly of African Americans. Though her order did not protest the practice, and in some cases benefitted from the labor of enslaved individuals themselves, recent studies have found no evidence that Seton herself ever engaged in the practice—a rarity for her time and social class. Let's pray that a spirit of holy resistance will fill us all in the fight against injustice—in a world where up to 50 million people live in modern slavery.

MEMORIAL OF ELIZABETH ANN SETON, RELIGIOUS

TODAY'S READINGS: 1 John 3:7-10; John 1:35-42 (207). "The person who acts in righteousness is righteous, just as he is righteous."

Thursday, Jan 05, 2023—Live and learn—and pass it on

Education was of supreme importance to both Saint John Neumann (1811-60), who is memorialized today, and to scientist and devout Christian George Washington Carver, who died on Jan. 5, 1943. Both men obtained an education long before it was seen as a birthright. Both made enormous social contributions as a result: Neumann to faith development of the masses; Carver to applied agricultural science impacting the country in numerous ways. For them, cleverness was never an end in itself; they both believed their talents were given by God to serve others. How does your education serve others?

MEMORIAL OF JOHN NEUMANN, BISHOP

TODAY'S READINGS: 1 John 3:11-21; John 1:43-51 (208). "'Rabbi, you are the Son of God; you are the King of Israel.'"

Friday, Jan 06, 2023—The door will be opened

Born frail and weak in 1845 near Montreal and orphaned at 12 when both parents died, André Bessette tried a number of trades as a young man, none with much success. He was initially turned away when applying to the Congregation of Holy Cross but was finally accepted and given the humble task of doorkeeper, messenger, and laundry worker at Notre Dame College in Montreal. There he faithfully served for decades. His life of devotion and healing presence eventually attracted legions of visitors and 80,000 prayer requests mailed in each year. "When I joined this community, the superiors showed me the door, and I remained 40 years," he quipped near the end of his long life. "Make yours a life of simple service and devotion—and a sense of humor won't hurt either!"

MEMORIAL OF ANDRÉ BESSETTE, RELIGIOUS

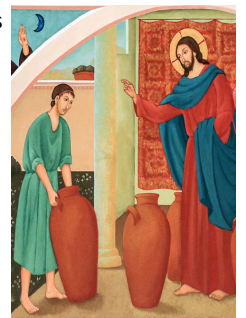

TODAY'S READINGS: 1 John 5:5-13; Mark 1:7-11 or Luke 3:23-28 or 3:23, 31-34, 36, 38 (209). "I am not worthy to stoop and loosen the thongs of his sandals."

Saturday, Jan 07, 2023—Signs of life

All that water at the wedding feast of Cana was used, the story tells us, for "Jewish ceremonial washings." Such washings were prescribed by the Jewish Halakha, or body of laws derived from the Torah. The fact that Jesus turned pure water for cleansing into wine for drinking would have sent a powerful message of the true nature of "living water" to the wedding guests. That same message is transmitted to us as simple table wine becomes the blood of Christ at every Eucharist. Like the wedding guests at Cana, don't hesitate to drink deeply from the cup of life Jesus offers.

CHRISTMAS WEEKDAY

TODAY'S READINGS: 1 John 5:14-21; John 2:1-11 (210). "Jesus did this as the beginning of his signs at Cana in Galilee and so revealed his glory."

REFLECTION

Reflection - Sunday, January 1, 2023 - Luke 2:16-21

Ronald E. McKean, Director of Music Ministries

I have often imagined being born and growing up in the time of Mary, Joseph and Jesus. I think how their lives were filled with so much surprise and uncertainty and how afraid they must have been. I think of how old they were. They were truly children. Just like some of the children I teach who participate in our music programs. To even begin to imagine any of these students bearing the responsibility of parenthood is practically unfathomable to me, let alone accepting the role as earthly parents to Jesus. Mary and Joseph lived in a time where women were stoned to death if found pregnant outside of marriage. As a man, I can't even begin to understand how Joseph must have felt. I think Joseph calls on us men to step up. Take care of the family, be the protector and obey God and his commandments. Mary gave birth to her baby in a manger, a stable where animals live. The strength of their faith allowed them to open their hearts and say yes to God in ways I know I am not capable of. They accepted whatever was asked of them. Could I ever do that? Are my faith, my trust in God, my mindset of the caliber that would allow me to behave like Mary and Joseph? Like most Scripture passages, I am humbled by simply reading the content. When I reflect on the stories and recollections of the writers, I feel the messages coming through loud and clear. Mary and Joseph are our role models. By practicing and following their examples of pure love and faith, we commit ourselves to being better disciples of Jesus. That is our journey.

A LOOK BACK AT THE 225

*As the Mission's 225th Anniversary Year draws to a close, we pay one final tribute to
La Misión del Gloriosísimo Patriarca San José,*

the fourteenth of the twenty-one California Missions and the first Catholic Church in what is now the Diocese of Oakland. It was a year that united Saint Joseph Parish/Old Mission San Jose with the Ohlone people, the Mission San Jose community, and the city of Fremont. Let us continue to honor those whose lives have shaped our rich heritage: the indigenous inhabitants of the land...the Ohlone, Spanish missionaries who brought the Catholic faith, people from Mexico who transformed mission lands into ranchos, immigrants from all over the world, and Americans leading the way to California statehood. Our year-long commemoration, including Bishop Barber's Anniversary Mass, lectures, concerts, walking tours, exhibits, art contest, and festival, required the dedication and collaboration of countless volunteers. To all who have contributed their time or treasure to mark this Jubilee year, we are eternally grateful!
